

# Sea Scout Jamboree 2020

To all the Sea Scouts from near and far, come join our Danish Jamboree!

In Denmark, near the seaport, Svendborg: The 22nd - 29th of July 2020

## **A sea scout jamboree for everyone - Danish as well as international scouts**

We are having a large summer camp, where we want to celebrate our common interest of sailing in the ocean, on lakes, doing other water activities, canoeing, fishing for crabs and just being sea scouts in different ways together. Whether you are arriving in your own pirate ship, sailing boat, by airplane, bus or bicycle, you are welcome here - The only important thing is you bring a big smile, a want for fun activities surrounding water, and maybe would like to meet some new friends.

It is not a must to be able to sail in order to be a part of the jamboree, as all scouts (whether they are 12 or 20 years of age) will still be fully able to participate in the daily activities regarding their sailing experience.

As a starting point, all scouts + leaders and senior scouts are sleeping in tents in subcamps containing other scouts in the same age group ("scouts" = 11-16 years. "Seniors" = 16-23. "IST/helpers" = 18+), and make their own food on gas stoves, portable stoves or in a fire pit.

## **Price and registration**

The cost per participant (and leader) is 200 eur, which includes all food (well the ingredients for cooking).

This price is for the main camp from Wednesday to Wednesday (22.-29. of July 2020).

In order to ensure the best planned camp possible, we urge all participants to make a pre-registration before (if possible) the 1st of December 2019. But we are very flexible!
