## **Consent to return to face-to-face activities**

In order for your Beaver, Cub, Scout or Explorer to take part in face-to-face activities we need you to confirm a few things.

Your name:

Please enter the names of the young people this form relates to:

---

I have read the risk assessment and approach document on the Website at <https://waltonviking.org.uk/covid-19/> and I understand the steps 1st Walton are taking to keep everyone safe and am happy for the young people named above to resume coming to outdoor meetings.

I will support the leaders by complying with the drop-off/pick-up instructions communicated with the details of the activity.

I understand that anyone with COVID-19 symptoms (fever, tiredness, or dry cough), or those that have been in contact with anyone who has COVID-19 symptoms (within the last two weeks), shouldn't come to any face-to-face activities, and should follow government guidelines on self-isolation and testing.

My young people understand that they must:

1. Follow instructions given to them by a leader
2. Stay in their group until they are back at home
3. Do their best to stay distanced from others
4. Clean their hands when they arrive and before they go home
5. Not come to activities if they or any of their family are unwell
6. If needed, bring their own water bottle to activities
